

Math Sequence Beginning 2021-22

Math options for highly capable students who qualify for advanced math

PAGE Math Sequence At PAGE Junior Highs

7th Grade

Pre-AP Algebra 1
With 7th grade PAGE cohort

8th Grade

Pre-AP Geometry
With 9th grade students

9th Grade

Accelerated Algebra II
At PAGE School with 9th grade
PAGE Cohort (at high school if
low enrollment at junior high)

10th Grade

Pre-Calculus
Available at all high schools

11th Grade

AP Calculus AB or
AP Stats
Available at all high schools

12th Grade

AP Calculus BC or
AP Stats
Available at all high schools

Advanced Math at Non-PAGE Junior Highs

7th Grade

Pre-AP Algebra 1
With 8th-9th grade students

8th Grade

Pre-AP Geometry
With 9th grade students

9th Grade

Accelerated Algebra II
Enrolled at local high school
with 10 graders

10th Grade

Pre-Calculus
Available at all high schools

11th Grade

AP Calculus AB or
AP Stats
Available at all high schools

12th Grade

AP Calculus BC or
AP Stats
Available at all high schools

Accelerated Math at All Junior High Schools

7th Grade

Accelerated Math 7/8
7th and 8th Illustrative Math

8th Grade

Pre-AP Algebra 1
With 8th - 9th grade students

9th Grade

Pre-AP Geometry

10th Grade

Accelerated Algebra II
Available at all high schools

11th Grade

Pre-Calculus or
AP Stats
Available at all high schools

12th Grade

AP Calculus AB or
AP Stats
Available at all high schools
